<u>AMENDMENT</u>

RECEIVED OCT 1 0 2002

Commissioner of Patents and Trademarks Washington, DC 20231

TECHNOLOGY CENTER R3700

Dear Sir:

In response to the Office Action dated May 22, 2002, please amend the above-captioned application as follows:

Cancel claims 4, 6, 7, 9, and 10 and amend claims 5 and 8 as follows:

5. (amended) A method for treating a human patient, comprising the acts of: advancing a heat exchange catheter device into the patient;

circulating coolant through the catheter device while preventing infusion of the coolant directly into the patient's bloodstream, the catheter device including at least one heat exchange region; and;

performing aneurysm surgery while the patient's temperature is below normal body temperature.

Case No.: 1156.062 Serial No.: 10/057,334

October 3, 2002

8. (amended) A method for treating a human patient, comprising the acts of: advancing a heat exchange catheter device into the patient;

circulating coolant through the catheter device while preventing infusion of the coolant directly into the patient's bloodstream, the catheter device including at least one heat exchange region; and;

performing minimally invasive heart surgery on the patient while the patient's temperature is below normal body temperature.
